COMMUNITY CLASSES POLICIES AND PROCEDURES

Community Class Purpose:

The mission of the Department of Parks and Recreation is, “to provide safe, satisfying and cost-effective recreational opportunities for the residents of and visitors to Maui County.” One of the primary ways for the County of Maui Department of Parks and Recreation to meet this goal is through the community class program as it provides an affordable recreational opportunity for residents throughout all of the park districts. Private instructors in the community are used to supplement the department’s existing programs to address the recreational needs in this community. Classes such as hula, aerobics, martial arts and swimming are available to name a few.

Community Class Overview:

1. Classes are scheduled at the discretion of the Department of Parks and Recreation.
2. Scheduling and class type will be based on the recreational needs of each district. Class determination and approval will be made by the Department of Parks and Recreation Recreational Specialist.
3. Classes must be recreation, health, or culturally related in nature.
4. Classes must be made available to the general public.
 - County sponsored program(s) will take precedent on the use of your permitted facility if ever a conflict occurs. If this occurs, the department will be responsible to advise you ten (10) business days in advance.
5. The intent of the Community Classes program is to provide recreational opportunities for the residents of Maui County. Instructors are brought on on an annual basis starting from (October 1.)

Equal Access Policy:

The County of Maui prohibits discrimination in all its programs and activities on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation and marital or family status. The instructor is responsible for making sure the Equal Access Policy is conformed to.

Instructor is responsible for providing reasonable modification when requested. Instructors should contact the Inclusion Specialist at (808) 270-1792 if they have any questions regarding requests for reasonable modification.
